4 11. California Code of Regulations, title 16, section 1399.132

5 "For the purpose of denial, suspension, or revocation of a hearing aid dispenser's license
6 pursuant to Division 1.5 (commencing with Section 475) of the Business and Professions Code, a
7 crime or act shall be considered substantially related to the qualifications, functions, and duties of
8 a hearing aid dispenser if to a substantial degree it evidences present or potential unfitness of a
9 hearing aid dispenser to perform the functions authorized by his license in a manner consistent
10 with the public health, safety, or welfare. Such crimes or acts shall include, but not be limited to
11 those involving the following:

12 "(a) Any violation of the provisions of Sections 650, 651, 651.3 and 655.2 of the code.

13 "(b) Any violation of the provisions of Chapter 7.5, Division 2 of the Business and
14 Professions Code."

15 12. Section 651 states:

16 "(a) It is unlawful for any person licensed under this division or under any initiative act
17 referred to in this division to disseminate or cause to be disseminated any form of public
18 communication containing a false, fraudulent, misleading, or deceptive statement, claim, or image
19 for the purpose of or likely to induce, directly or indirectly, the rendering of professional services
20 or furnishing of products in connection with the professional practice or business for which he or
21 she is licensed. A 'public communication' as used in this section includes, but is not limited to,
22 communication by means of mail, television, radio, motion picture, newspaper, book, list or
23 directory of healing arts practitioners, internet, or other electronic communication.

24 "(b) A false, fraudulent, misleading, or deceptive statement, claim, or image includes a
25 statement or claim that does any of the following:

26 "(1) Contains a misrepresentation of fact.

27 _____
28 ¹ Section 3365.5 is now renumbered as section 2538.36.

1 "(2) Is likely to mislead or deceive because of a failure to disclose material
2 facts.

3 "(3)(A) Is intended or is likely to create false or unjustified expectations of
4 favorable results, including the use of any photograph or other image that does not
5 accurately depict the results of the procedure being advertised or that has been altered
6 in any manner from the image of the actual subject depicted in the photograph or
7 image.

8 "(B) Use of any photograph or other image of a model without clearly stating in
9 a prominent location in easily readable type the fact that the photograph or image is of
10 a model is a violation of subdivision (a). For purposes of this paragraph, a model is
11 anyone other than an actual patient, who has undergone the procedure being
12 advertised, of the licensee who is advertising for his or her services.

13 "(C) Use of any photograph or other image of an actual patient that depicts or
14 purports to depict the results of any procedure, or presents 'before' and 'after' views
15 of a patient, without specifying in a prominent location in easily readable type size
16 what procedures were performed on that patient is a violation of subdivision (a). Any
17 'before' and 'after' views (i) shall be comparable in presentation so that the results are
18 not distorted by favorable poses, lighting, or other features of presentation, and (ii)
19 shall contain a statement that the same 'before' and 'after' results may not occur for
20 all patients.

21 "(4) Relates to fees, other than a standard consultation fee or a range of fees for
22 specific types of services, without fully and specifically disclosing all variables and
23 other material factors.

24 "(5) Contains other representations or implications that in reasonable
25 probability will cause an ordinarily prudent person to misunderstand or be deceived.

26 "(6) Makes a claim either of professional superiority or of performing services
27 in a superior manner, unless that claim is relevant to the service being performed and
28 can be substantiated with objective scientific evidence.

1 "(7) Makes a scientific claim that cannot be substantiated by reliable, peer
2 reviewed, published scientific studies.

3 "(8) Includes any statement, endorsement, or testimonial that is likely to mislead
4 or deceive because of a failure to disclose material facts.

5 "(c) Any price advertisement shall be exact, without the use of phrases, including, but not
6 limited to, 'as low as,' 'and up,' 'lowest prices,' or words or phrases of similar import. Any
7 advertisement that refers to services, or costs for services, and that uses words of comparison shall
8 be based on verifiable data substantiating the comparison. Any person so advertising shall be
9 prepared to provide information sufficient to establish the accuracy of that comparison. Price
10 advertising shall not be fraudulent, deceitful, or misleading, including statements or
11 advertisements of bait, discount, premiums, gifts, or any statements of a similar nature. In
12 connection with price advertising, the price for each product or service shall be clearly
13 identifiable. The price advertised for products shall include charges for any related professional
14 services, including dispensing and fitting services, unless the advertisement specifically and
15 clearly indicates otherwise.

16 "(d) Any person so licensed shall not compensate or give anything of value to a
17 representative of the press, radio, television, or other communication medium in anticipation of,
18 or in return for, professional publicity unless the fact of compensation is made known in that
19 publicity.

20 "(e) Any person so licensed may not use any professional card, professional announcement
21 card, office sign, letterhead, telephone directory listing, medical list, medical directory listing, or a
22 similar professional notice or device if it includes a statement or claim that is false, fraudulent,
23 misleading, or deceptive within the meaning of subdivision (b).

24 "(f) Any person so licensed who violates this section is guilty of a misdemeanor. A bona
25 fide mistake of fact shall be a defense to this subdivision, but only to this subdivision.

26 "(g) Any violation of this section by a person so licensed shall constitute good cause for
27 revocation or suspension of his or her license or other disciplinary action.

28 "..."

1 (i) Each of the healing arts boards and examining committees within Division 2 shall adopt
2 appropriate regulations to enforce this section in accordance with Chapter 3.5 (commencing with
3 Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

4 "Each of the healing arts boards and committees and examining committees within Division
5 2 shall, by regulation, define those efficacious services to be advertised by businesses or
6 professions under their jurisdiction for the purpose of determining whether advertisements are
7 false or misleading. Until a definition for that service has been issued, no advertisement for that
8 service shall be disseminated. However, if a definition of a service has not been issued by a board
9 or committee within 120 days of receipt of a request from a licensee, all those holding the license
10 may advertise the service. Those boards and committees shall adopt or modify regulations
11 defining what services may be advertised, the manner in which defined services may be
12 advertised, and restricting advertising that would promote the inappropriate or excessive use of
13 health services or commodities. A board or committee shall not, by regulation, unreasonably
14 prevent truthful, nondeceptive price or otherwise lawful forms of advertising of services or
15 commodities, by either outright prohibition or imposition of onerous disclosure requirements.
16 However, any member of a board or committee acting in good faith in the adoption or
17 enforcement of any regulation shall be deemed to be acting as an agent of the state.

18 (j) The Attorney General shall commence legal proceedings in the appropriate forum to
19 enjoin advertisements disseminated or about to be disseminated in violation of this section and
20 seek other appropriate relief to enforce this section. Notwithstanding any other provision of law,
21 the costs of enforcing this section to the respective licensing boards or committees may be
22 awarded against any licensee found to be in violation of any provision of this section. This shall
23 not diminish the power of district attorneys, county counsels, or city attorneys pursuant to existing
24 law to seek appropriate relief.

25 13. Section 652 of the Code states, in pertinent part:

26 "Violation of this article [Article 6, commencing with Section 650 of the Code] in the case
27 of a licensed person constitutes unprofessional conduct and grounds for suspension or revocation
28 of his or her license by the board by whom he or she is licensed, or if a license has been issued in

1 connection with a place of business, then for the suspension or revocation of the place of business
2 in connection with which the violation occurs. The proceedings for suspension or revocation
3 shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of
4 Division 3 of Title 2 of the Government Code [the Administrative Procedure Act], and each board
5 shall have all the powers granted therein."

6 14. Section 1793.02 of the Civil Code, also known as the Song-Beverly Consumer
7 Warranty Act, provides:

8 "(a) All new and used assistive devices sold at retail in this state shall be accompanied by
9 the retail seller's written warranty which shall contain the following language: "This assistive
10 device is warranted to be specifically fit for the particular needs of you, the buyer. If the device is
11 not specifically fit for your particular needs, it may be returned to the seller within 30 days of the
12 date of actual receipt by you or completion of fitting by the seller, whichever occurs later. If you
13 return the device, the seller will either adjust or replace the device or promptly refund the total
14 amount paid. This warranty does not affect the protections and remedies you have under other
15 laws." In lieu of the words "30 days" the retail seller may specify any longer period.

16 "(b) The language prescribed in subdivision (a) shall appear on the first page of the warranty
17 in at least 10-point bold type. The warranty shall be delivered to the buyer at the time of the sale
18 of the device.

19 "(c) If the buyer returns the device within the period specified in the written warranty, the
20 seller shall, without charge and within a reasonable time, adjust the device or, if appropriate,
21 replace it with a device that is specifically fit for the particular needs of the buyer. If the seller
22 does not adjust or replace the device so that it is specifically fit for the particular needs of the
23 buyer, the seller shall promptly refund to the buyer the total amount paid, the transaction shall be
24 deemed rescinded, and the seller shall promptly return to the buyer all payments and any assistive
25 device or other consideration exchanged as part of the transaction and shall promptly cancel or
26 cause to be canceled all contracts, instruments, and security agreements executed by the buyer in
27 connection with the sale. When a sale is rescinded under this section, no charge, penalty, or other
28 fee may be imposed in connection with the purchase, fitting, financing, or return of the device.

2 **COST RECOVERY**

3 15. Section 125.3 of the Code states, in pertinent part, that the Board may request the
4 administrative law judge to direct a licentiate found to have committed a violation or violations of
5 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
6 enforcement of the case.

7 16. Paragraph 12 above, referring to the costs provision of section 651, subsection (j), is
8 re-alleged and incorporated herein by reference.

9 **FACTS**

10 **Consumer P.D.**

11 17. On or about April 19, 2011, P.D., an 84 year old woman, responded to an
12 advertisement distributed by McDonald Hearing Aid Center (MHAC). Respondent, Marion
13 Nelson, is employed to sell and fit hearing aids at MHAC. The MHAC mailer and newspaper
14 advertisements promoted a limited time five-day-only special, between April 18 through 22, of up
15 to 67% off prices, a free video ear inspection, and a \$745.00 entry level hearing aid, with
16 "satisfaction guaranteed." On April 19, 2011, P.D. entered the MHAC branch location at 1400 X
17 Street, Suite 300, Sacramento, CA 95818. P.D. had undergone a cardiac surgical procedure two
18 weeks before her visit to MHAC, and was consequently feeling fatigued at the time of her visit.
19 She used a walker to ambulate.

20 18. Respondent conducted an audiogram hearing test on P.D. that showed a loss of
21 hearing in P.D.'s right ear, and an air-bone gap in P.D.'s left ear. Respondent did not chart that he
22 performed a bone conduction test for the right ear, or that he referred P.D. for testing by a
23 physician due to the air-bone gap in the left ear.

24 19. Respondent told P.D. that her hearing loss was a 20 to 80 dB loss, which he claimed
25 was a moderate to severe loss. The chart of the audiogram Respondent used incorrectly classified
26 the ranges of hearing loss accepted by industry standards, by overstating the ranges of moderate to

27 ² The text of Civil Code section 1793.02 cited here is the version that was in force at the
28 time of the events alleged in this Accusation.

1 severe hearing loss. P.D. inquired about the \$745 hearing aid, but Respondent told her that this
2 hearing aid was not suitable for her needs. He proceeded to sell her an OTE Alpha Intela-Hear
3 hearing aid for \$2,245.00. The hearing aid that was advertised by McDonald for \$745.00 would
4 have been an appropriate hearing aid for P.D., by industry standards.

5 20. On April 20, 2011, Respondent and P.D entered into a Purchase Agreement in which
6 P.D. purchased an OTE Alpha RIE Intela-Hear digital hearing aid for \$2,245.00. The purchase
7 agreement indicated that the hearing aid P.D. purchased was \$4,990.00 and that P.D. was being
8 given a 50% and AAA discount in order to arrive at the price of \$2,245.00. Respondent and P.D.
9 signed the Purchase Agreement, and P.D. paid a deposit of \$1,200.00 by credit card on April 20,
10 2011.

11 21. On or about June 16, 2011, P.D. was tested at the University of California, Davis,
12 Medical Center (Medical Center). The test administered by the Medical Center showed a mild
13 hearing loss with no significant air-bone gap in either ear. After being tested by the Medical
14 Center, P.D. sought to cancel her order with MHAC, and obtain a full refund from Respondent.
15 Hearing Aid Dispenser (HAD), Melissa Peacock, employed as the Chief Compliance Officer for
16 MHAC corresponded with P.D. informing her that her cancelation was subject to a \$336.83
17 cancelation fee. Under the MHAC's Purchase Agreement, MHAC imposed a fifteen percent
18 cancelation fee on P.D. of \$336.83.

19 **Consumer D.G.**

20 22. On or about October 16, 2012, D.G., a 77 year old woman, responded to an
21 advertisement by MHAC for a limited time five-day-only special, between October 15 through
22 19, of up to 67% off prices, a free video ear inspection, and a \$745.00 entry level hearing aid,
23 with "satisfaction guaranteed" and a six-week, no risk, nothing to lose guarantee. The
24 advertisement showed a picture of Stan Atkinson holding a hearing aid, with the words "Stan
25 Atkinson, Intela-Hear Wearer" next to his picture. There was no disclaimer indicating that Stan
26 Atkinson was a paid spokesman for the product or for MHAC. On October 16, 2012, D.G.
27 entered the MHAC branch office at 433 F Street in Lincoln, California.
