Section 1399.155 of Division 13.4 of Title 16, Article 6 entitled “Disciplinary Guidelines” of the California Code of Regulations is amended to read:

Article 6. Disciplinary Guidelines

In reaching a decision on a disciplinary action under the Administrative Procedure Act (Section 11400 et seq. of the Government Code) the board shall consider the disciplinary guidelines entitled “Disciplinary Guidelines Revised July 16, 2004,” that are hereby incorporated by reference. Deviation from these guidelines and orders, including the standard terms of probation, is appropriate where the board, in its sole discretion, determines that the facts of the particular case warrant such a deviation – for example: the presence of mitigating factors; the age of the case; and evidentiary problems.

Note: Authority cited: Sections 2531.95, Business and Professions Code; and Sections 11400.20, Government Code. Reference: Sections 2533 and 2533.1, Business and Professions Code; and Sections 11400.20 and 11425.50(e), Government Code.
DISCIPLINARY GUIDELINES

The Board recognizes that these penalties and conditions of probation are guidelines, and that each disciplinary case must be assessed individually. If individual circumstances exist that justify omissions or deviations from these guidelines, the Board asks that these be explained by the Administrative Law Judge hearing the case. This will help the Board to better evaluate proposed decisions and to make decisions that accurately reflect the facts of each specific disciplinary matter.

Except where otherwise indicated, the following terms and conditions apply to speech-language pathologists and audiologists as well as speech-language pathology assistants.
